

Tobermory Harbour Authority

Notice to Mariners

No 1 of 2018

Tobermory Harbour was granted a Harbour Empowerment Order (HEO)
on 10th June 2017.

The newly formed Harbour Authority has both Harbour Limits and responsibilities under the
'UK Port Marine Safety Code' and 'Guide to Good Practice'.

Under this Code, organisations and harbour users, whether commercial or recreational, are
encouraged to follow nationally agreed standards to improve marine safety.

Tobermory Harbour has vessels using the pontoons, moorings, anchorages and terminals.
The Authority is introducing a 'Local Port Service' for the management of vessel traffic within
Harbour Limits.

Hours of Service

0900 – 1800 LT (April 1 to September 30)

with

extended operating times subject to Passenger vessel movements.

Tobermory Harbour Radio - VHF Channel 68

Further information may be obtained by contacting Harbour staff.
